

Summer Reading Verification Form - 2026

We want to encourage all students to read great books this summer!

Students will get a non uniform coupon* for each 100 pages they read from age-appropriate books
(maximum of 5 coupons).

Even younger students who cannot quite read yet, can still participate with a parent's help! Track your progress on this form and return it to Mrs. Laura at the front desk by Tuesday, August 11th.

FREE Digital Books to read this summer are available through our local library! Go to <https://moglibraries.org/eread-kids/> and click on "Go to Website" to view thousands of eBooks!

*If a student receives a Non-Uniform coupon, they can wear non-uniform clothes to school on Fridays. Coupon needs to be given to the teacher on the Friday that they are redeeming the coupon.
